Jeanette Nishikawa's Memorial

Disabled Resources Center (DRC) has some really sad news to report.

On August 28th, 2007, our Executive Director, Jeanette Nishikawa

passed away.

Jeanette Nishikawa devoted 27 years to DRC and had served as Executive Director since 1993.

The Staff and Board of Directors had a memorial for Jeanette on Thursday, October 4th, 2007, at California State University, Long Beach Pointe at the Pyramid.

The important work that Jeanette started must be continued. So many people with disabilities depend upon our center for their services. Because of the community's support, DRC has been able to reach and provide services to people with disabilities and the elderly populations in the cities we serve.
